

Southern Ontario Passive House Tour and Seminar

Date: 10 Jun 2017

Time: 8:00am - 10:00pm EDT

Details

Join us and 60 other Passive House enthusiasts on a full day tour of Passive House projects and an [ERV factory](#) in Southern Ontario.

This is an opportunity to explore built projects, network with local industry professionals, and hear from speakers on the latest news and developments in Passive House design, both from a global perspective and in Canada and Ontario.

There are two ticket options:

1. Full day tour - includes Swegon ERV plant, Innisfil Passive House, bus discussions, lunch, Minden projects tour, seminar and dinner
2. Minden projects tour - includes seminar and dinner (does not include bus)

* Participants on the full day tour can join the bus at either Rosedale subway station or at Swegon.

Itinerary

- 8:00 Bus departs Rosedale subway station, Crescent Rd & Yonge, Toronto
- 9:00 Swegon HRV presentation (attendees can also join the bus here) 355 Apple Creek Blvd, Markham
